We believe

Montessori education for the Adult Learner needs to reflect how children learn and we want you to enjoy doing these courses.

The information we deliver is inspirational and we aim to keep it that way!

We provide a portal to resources, lesson plans, zoom links, videos and valuable handouts.

Pay online to start right now, and we will support your learning journey all the way!

Internationally Accredited Montessori Teacher & Educator Courses

Help me
to do it
myself

Practicum hours

- ★ To gain the MACTE Diploma the Adult Learner is required to work in a Montessori 2.5 - 6 yrs prepared environment for a total of 400 hours. 120 hours must be completed face to face.
- ★ Assessment tasks require *Observation and Cycle of Planning, Knowledge of Classroom Leadership, Montessori Philosophy and Partnerships with Parents.*
- ★ Assessments are practical and useful and directed to meaningfully integrating theory and practice.

Overview of AMTI Internationally Accredited Diploma Courses

Whether you are looking for support staff, refresher courses or a full globally accredited teacher training course, AMTI has developed the courses to suit your preferred study mode.

Our aim is to lead the way by delivering the Montessori message to as many teachers and educators as possible.

The Diploma in Montessori Studies is for those who already have or are working towards a Certificate III, diploma, or degree in early childhood.

MACTE Accredited Diploma in Early Childhood Studies AMTI 004B

The ultimate in accessibility, flexibility and affordability, these courses have a rolling start. This means you can start now or at any time!

The Montessori Professional Learning Series which you can do completely online, is self-directed and contributes towards the Diploma. (30 credit points)

“Co-operation Through Connection” a course, which is run twice a year in March and September, is held over 6 sessions and contributes towards the Diploma. (30 credit points)
